Terms of Service

Rates, delivery and credits for each service. All prices in Kenyan shillings (KES).

MUSIC PRODUCTION

PRICING TIERS

- **Full Package: KES 25,000** — Beat lease + Recording, mixing & mastering
- **Beat Lease (non-exclusive): KES 10,000** — Use beat for 1 song commercially
- **Recording, Mixing & Mastering: KES 15,000** — Studio + full production
- **Exclusive Instrumental Buyout: KES 70,000** — Full exclusive rights to beat
- Collab deal: **50/50** on composition & streaming royalties

REFERENCE TRACKS

Send reference tracks by email at least **24 hours before** your session. This ensures we align on the sonic direction before studio time begins.

WHAT'S INCLUDED

- Custom instrumental (beat lease is non-exclusive by default)
- Vocal arrangement & creative guidance
- Full commercial song structuring
- Delivered as **24-bit / 48kHz WAV** stems + mixed reference
- Up to **2 revision passes** included

CREDITS

All commercial releases must include: **Produced by Tyrelm / Composition Edwin Matekwa** in all metadata and credits.

EXCLUSIVE RIGHTS

For exclusive buyout (KES 70,000), you receive full ownership — no other artist can use the beat.

ADDITIONAL REVISIONS

Beyond the 2 included passes, additional revisions are billed at **KES 1,500** per pass.

MIXING & MASTERING

RATES

- Stereo Mix & Master: **KES 15,000** per track
- Album deal (5+ tracks): **KES 12,000** per track
- Dolby Atmos / Ambisonic mix: **KES 25,000** per track
- Mastering only: **KES 5,000** per track

DELIVERY

- Mastered at **24-bit / 48kHz WAV**
- Streaming-ready and broadcast-ready versions provided
- Up to **2 revision passes** included

STEM REQUIREMENTS

- Send stems at **24-bit / 44.1–48kHz WAV**
- Label all tracks clearly (e.g. "Lead Vox", "Kick", "Bass")
- Export from session start — no offline/missing clips

CREDITS

Must credit: **Mixed & Mastered by Tyrelm / Edwin Matekwa** in all metadata and releases.
